

## WCTA Meeting Minutes

November 17, 2022

The fourth quarterly meeting of 2022 of the Williams County Township Association was held at St. Mary's Catholic Church, Edgerton, OH on November 17, 2022 for the annual WCTA Banquet. The ladies of St. Mary's Catholic Church served a wonderful dinner.

President Bob Short welcomed all present and thanked them for coming. President Short then recognized our special guest Ed Huff, Tim Lynch, and Ron Miller from the Ohio Township Association office. State Fire Marshalls Tom Bently & Rick Slader, Carrie Schlade (Bryan Mayor), Doug Crawford & Elliott Richardson (ODOT). President Short thanked all of our county officials who were present: Lew Hilkert (County Commissioner), Todd Roth (County Engineer), Katie Zartman (County Prosecutor), Jim Watkins (County Health Dept), and Tom Kochert (County Sheriff). Local Fire Departments represented: Doug Pool (Bryan FD), Millcreek's FD, and Tad Schingledecker (Springfield FD). President Short also thanked Patrick Azzarella from Redline, Ryan Ruble from Kenn-Feld, and Dan Stocker from Stoop Trucking.

Ohio Fire Marshalls reported on the happenings of fire departments throughout the State. Their job is to enforce the fire code, educate on fire safety, inspect buildings, underground safety tanks. They are in need of volunteers throughout the State; 73% of fire calls are handled by volunteer fire departments. They are having a difficult time getting young people involved. They are looking at ways to help Townships with funding to get new recruits, physical exams (required), and training.

The OTA officers stated the Winter Conference is "Back On Track" with 60 educational classes, 150 vendors, and endless opportunities to assist Townships. They reminded us of the Scholarship applications with 5 scholarships to give away this year: Trade School scholarships also. The OTARMA MORE Grant has 9 of the 12 Townships that have applied this year.

Katherine Zartman, Williams County Prosecutor, reported that crime is up, child services cases are up, and that they are having staff changes with two new attorneys coming on board. The Prosecutor reminded us the importance of having a "Public Records Policy".

Sheriff Kochert reported all is good at the Sheriff's Department. The Deputies just finished 24 hours of training, and they added a K-9 to replace a K-9 that retired.

Todd Roth reported on the Salt Contract and the mileage certification, no changes from last year. There has been lots of request for Right of Way, particularly from Frontier. Next years projects will be County Road O, CR 16 to US 127, and CR 22 (south end), and CR 16 (G to J). Chip & Seal will be reduced due to funds.

Jim Watkins reported on the Health Department. They have some staff changes. Health Department assessment shows obesity is an issue; this will take the community working together to resolve this.

Lew Hilbert informed all, the Commissioner's Office is now at the East Annex due to asbestos issues on the fourth floor of the Courthouse.

Doug Crawford stated their fleet is in good shape, loaded up with salt and the snow/ice open house went well.

Therefore, Mark Schmucker made a Motion to pass the following Resolution:

Resolution No. 01-2022

Recognizing and Promoting the Importance of the Michindoh Aquifer and Opposing

The Withdrawal of Water Resources From the Aquifer by AquaBounty, LLC

WHEREAS, the Michindoh Aquifer supplies agricultural, commercial, and industrial water resources as well as drinking water, for the residents in Northwest Ohio, Southern Michigan and Northeast Indiana and there are no economically feasible alternative water sources should the aquifer become depleted; and

WHEREAS, AquaBounty, LLC, a Massachusetts-based for-profit company, proposes to build a facility to produce genetically engineered salmon in Pioneer, Ohio; and

WHEREAS AquaBounty plans to withdraw up to 5.25 million gallons per day from the Michindoh Aquifer and to discharge up to 5.19 million gallons per day into the East Branch of the St. Joseph River; and

WHEREAS, the proposed plans for withdrawal and consumptive use of water resources do not

incorporate maximum feasible conservation practices and will have a significant detrimental effect on the quantity, and potential quality, of water resources for those currently served by the Michindoh Aquifer; and

WHEREAS, the wastewater discharge into the East Branch of the St. Joseph River will disrupt the river's ecosystem and increase pollutants, excess nutrients, and flooding in the area; now therefore

BE IT RESOLVED, by the Williams County Township Association, Williams County, Ohio:

That this public body does hereby declare its strong opposition to the AquaBounty facility proposed in Pioneer, Ohio and its planned withdrawal of water resources from the Michindoh Aquifer, which would have an adverse impact on the aquifer and endanger the consumptive use, and public health, welfare and safety of those who are currently served by, and rely on, the aquifer, not only in Ohio, but also our neighbors in Indiana and Michigan; and

That the Williams County Township Association does hereby encourage and promote cooperation with all public bodies served by the Michindoh Aquifer to join in a collaborative action to pass similar legislation and to protect our valuable water resources; and

That this Resolution shall be in full force and effect at the earliest period provided by law for the public health, safety and welfare of the citizens of Williams County, Ohio.
