Williams County

Veterans Services Feb.-Nov. 2020

This year has been unlike any other year on record. We have learned to do things through technology in an expeditious way. We have learned to do virtual VA medical appointments and have continued to file claims for all of the Williams County Veterans. Some things have changed about the way we conduct ourselves in the office, but the jobs are getting done. In all of the chaos of this year, the Williams County Veterans Service Commission has hired a new county veteran service office in training. David Brubaker is a native of Fayette Ohio, and a retired Warrant Officer in the National Guard. Dave will be coming in to an office during a time that everything is new and different. It will be a great chance for him to learn how to be a CVSO from the 2 current CVSO's in the office.
