Veterans Services October 2019

On October 7th, the Toledo CBOC hosted a drivers summit to detail how the public transportation and several county Veteran Service Commissions operated their transportation to get vets to the Toledo and Ann Arbor VA facilities. There was a lot of great information that we may be implementing in our office, as well as new services offered by the Toledo CBOC coming in January. On October 18th our office hosted a Flu Shot Clinic for free flu shots to veterans and their spouses. In total almost 50 people were vaccinated. We are happy to partner with Walgreens for this great annual event. We hope to continue to help vaccinate the community for years to come.
