## Williams County

# Veterans Services September 2019

On September 7th through the 14th, the Williams County Veterans Memorial Building was host to the Remember the Fallen Tribute Towers. Throughout fair week, the building was steady with visitors who came to show their respects to those we have lost in the War on Terror since 9/11/2001. The towers were escorted in by The American Legion Riders and several other motorcycles. With the help from the volunteers after the ride, the 32 towers were assembled inside the Veterans Memorial Building. There was always a somber feeling about being in the presence of the over 5,000 faces of those we've lost staring back at you. It is a rather humbling experience, and heart wrenching to know that we have lost so many in the War on Terror. Gold Star Mother Tarry Eicher is responsible for coordinating the trip for the Towers to be in Montpelier during fair week.
