Williams County

Veterans Services June 2019

This month was special for one of our Williams County Veterans. Mr. William Burns' education was cut short in 1954 to help provide for his family after his father got sick. Mr. Burns gave up his last year of high school to work several physical jobs, and also join the Navy Reserves. He served for 13 years, and went to numerous places protecting our country, but he never received his high school diploma. With the help Ann Fitzenrider at Ohio Jobs and Family Services and Dan Bonney at the Veterans Office, Mr. Burns finally got his diploma. Now in his 80's, Mr. Burns plans on getting a part time job and still loves helping and talking to people.
