Williams County

Veterans Services Oct./Nov. 2018

Not a whole lot happened in the month of October, but we had a busy November. On November 10th we had our 3rd Annual County Veterans Ball. As always it was a black tie affair for a night filled with dinner and dancing. That night we recognized William "Nick" Hill with an Award of Excellence for his continued work to help our county veterans. The purpose of the Veterans Ball is to generate money that would be used to help veterans that may not qualify as part of our standard office financial assistance. On Veterans Day this year several of our office staff attended school programs giving thanks to our veterans.
